#### AWARD

11th February, 1974

This is a reference under Section 10(1)(d) of the Industrial Disputes Act, 1947, relating to the dispute between M/s. George Ben Cleaners, Margao, and the workmen employed by that concern. The demand in this reference reads thus:

«Whether the management of M/s. George Ben Cleaners, Margao was justified in terminating the services of Mr. Mario Antonio Fernandes with effect from 3-9-1970 and the services of Smt. Elsa Fernandes with effect from 31-3-1971; If not, what relief the said workmen are entitled to?».

2. In the statement of claim it is alleged that the services of Mario Antonio Fernandes, who was working as a general clerk with the employers, were terminated without any inquiry and without assigning any reasons with effect from 3rd September, 1970. It is stated before me by the Secretary of the Union that no notice terminating the services was served on M. A. Fernandes.

3. With regard to the other employee Elsa Fernandes her services were terminated by the notice dated 30th March, 1971 without assigning any reasons. It is further alleged that on 30th March, 1971 she was not allowed to work, when she refused to go, she was removed with the help of the police. Elsa Fernandes lodged a complaint in this respect. Thereafter the notice dated 30th March, 1971 terminating her services was served on her on 31st March, 1971.

4. The termination of services of both these employees is challenged on the ground that it is a case of victimisation.

5. Shri Ramesh Desai appeared for the employers. Even though a copy of the statement of claim was served on the employers, they have not chosen to file any written statement. The employers were given time to file their written statement right from 4th July, 1973. Even so, the written statement is not filed upto this date. Shri Ramesh Desai, who is present today, seeks permission to retire for want of instructions. I allow him to do so.

6. One of the employees M. A. Fernandes is present. He has affirmed on oath that the facts stated in the statement of claim were explained to him, and they are correct. Since the allegations in the statement of claim, which are affirmed, go unchallenged, it is clear that the two employees named above are entitled to reinstatement. Accordingly I direct that the employers shall reinstate both the employees — M. A. Fernandes and Elsa Fernandes immediately. M. A. Fernandes will be entitled to back-wages with effect from 3rd September 1970 and Elsa Fernandes will be entitled to back-wages with effect from 1st April, 1971. Award accordingly. No order as to costs.
